Serial No. /

BRIEF ABSTRACT OF LETTER

Requests, in the circumstances explained, sanction of govt. to import 5 kg. of Vitamin B₁ at an estimated cost of Rs 20,000/- and to his action in permitting the gen. M. I.T.L. to place orders by cable for 5 lbs of Vitamin C by air mail for 23 lbs. by sea route.

NOTES AND ORDERS.

It is stated by the G.D.I.C. that at a Conference of Chemists and Druggists held in his office a demand for Vitamin B₁ and C was put forward "as there is a shortage of both in the State. Hence it is thought desirable that the I.T.L. should purchase stocks of both and place them on the market."

It is stated that some stocks of Vitamin B₁

Vitamin B₁ and C required by I.T.L.

16/11

General and Revenue
Secretariat (2)

are available in the I.T.L. but in view of the demand the G.D.I.C. requests sanction of

- i) govt. for importing 5 kg. of the material from the U.S.A. at an estimated cost of Rs 20,000.

As regards Vitamin C. an import license for 28 lbs. has been obtained and as it

- ii) lapses by the end of June the G.D.I.C. has permitted the Gen. M. to place orders ~~by cable~~ for 5 lbs. by air mail package and the rest by sea route and requests approval of govt. The cost, ~~Rs~~ ^{amounting to} Rs 4000 has been provided for in the amount of Rs 1,24,000 applied for against which Rs 25,000 has been sanctioned.

The G.D.I.C. requests for sanctioning govt. to his proposals as this is a favourable time for capturing the market and to improve the supply position of drugs in the state.

Subd. for orders

^{for} 29/5 16/11 may be approved. Enclosed

his action taken for his import of 5 lbs by air mail. i. The cost will be met from his rev funds of his laboratory

Telegraphic
Address

OFFICE OF

No. 9.1113
Encls.Government Director, Industrial
Concerns, United India Buildings,
Bangalore City.

Date 22nd May 1944.

23

The Secretary to Government,
Development Department, Bangalore.

I have the honour to state that at a meeting of the wholesale Chemists and Druggists in my office on the 16th instant to consider measures regarding procuring supplies of drugs required urgently in the State, they represented that there is a very great shortage in the Mysore State of preparations containing Vitamin B₁ and C, especially ampoules for the purpose^{it} of injections, and that/was difficult for the dealers to get sufficient stocks of these products in the finished form from the foreign manufacturers who were supplying only very limited quantities. It was generally agreed at the conference, that it would be desirable for the Industrial & Testing Laboratory to purchase fairly good stocks of both these vitamins, prepared ampoules from them and place them on the market, in the Mysore State. The General Manager, Industrial & Testing Laboratory is agreeable to this proposal.

As regards Vitamin B₁ the General Manager, Industrial & Testing Laboratory reports that he has some stock of this material and has taken steps to place the ampoules on the market. It is understood that the state demand for Vitamin B₁ may be of the order of 10 kg. per year. I request very early sanction of Government for importing from U.S.A. 5 kg. of this material at an estimated cost of Rs.20,000/-. The Import License for this quantity will be applied for and in order to avoid delay in ordering the

ordering the material as soon as the Import License is received, sanction of Government has been asked for simultaneously.

As regards Vitamin C, I understand from the General Manager, Industrial & Testing Laboratory that ~~they have~~ ^{he has} obtained Import License for the import of 28 lbs of this material, but, sanction of Government has not yet been received. The amount of Rs. 4,000/- for Vitamin C has been included in the total estimate of Rs. 12,400/- asked for in my letter No. G.870 dated 24-3-1944. Since the licenses are lapsing by the end of June 1944 I have permitted the General Manager, Industrial & Testing Laboratory to place orders by cable, in anticipation of approval of Government to the purchase for 5 lbs Vitamin C by airmail package in view of the immediate demand for the material and the balance by the sea route.

As this is a favourable time for capturing the State market in both ^{these} lines which are in great demand for want of supplies and also it is necessary to improve the supply position of essential drugs in the State to check profiteering and hoarding, I request the very early sanction of Government to the proposals mentioned above.

I have the honour to be,
Sir,

Your most obedient servant,

Govindanathan

Government Director,
Industrial Concerns.

The Superintendent,
Industries & Commerce Branch,
General & Revenue Secretariat,
Bangalore.

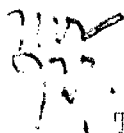

Dear Sir,

Raw-materials required
by the Govt. I.T.I.

Please refer to this office letter No.G.1113 dated 22/23-5-44 on the above subject. The General Manager, Government Industrial & Testing Laboratory has intimated to-day that in line 6 of para(3) of the above letter the figure "Rs.12,400" should correctly be Rs.1,24,000. The correction may kindly be noted in the original letter.

Yours sincerely,

V. Narayanaswamy
